

LONE PINE

Tucked away in an idyllic spot along Penang's coastline, Lone Pine is Batu Ferringhi's only luxury boutique hotel. Penang's favourite beachside boutique resort reopened its doors with new designs and facilities, but still infused with the same colonial spirit and idyllic charm from the yesteryears that has made it one of Penang's legendary hotels. Lone Pine today offers 90 rooms with a recently erected building adding 50 rooms to the inventory, featuring the deluxe rooms as the lead in category with the size of 45 sq m, making it the biggest standard room in Batu Ferringhi. A reception area, two food and beverage outlets, a bar, a meeting room, games room, a spa, a gym and the administrative office completes the picture. Deluxe rooms provide breath-taking sea views offering the unique feature of a plunge bath at its private balcony. Premier rooms, with the option of sea or garden views, offer the choice of either a tranquil patio or courtyard.
