

## HIN BUS DEPOT

Hin Bus Depot is a contemporary creative space that exudes Penang old-world charm. We engage artists with contemporary ideas to use the space to express their creativity. Hin Bus Depot inculcates cutting-edge creative lifestyle that pushes the boundaries of expressions in art and lifestyle. Supported by the community, Hin Bus Depot focuses on curated creative art, programs and exhibitions, or events aiming to aspire social and cultural exchange. The space is like a canvas for young emerging artists from local and around the world with different cultures and backgrounds to share and learn together. The creative space is also open to organisations or individuals looking for an unconventional event venue with unique charm.
