EASTERN & ORIENTAL HOTEL

The Eastern & Oriental Hotel is the embodiment of both a special time and a special place. For well over a century, this remarkable hotel - known simply as 'The E&O' to generations of travellers - has stood as a testament to the grand elegance of the British colonial era.

In many ways, it has also come to represent Penang itself; its story inextricably woven into the island's history, its traditions an indelible part of many a traveller's treasured memory, its name synonymous with the magical island once known as The Pearl Of the Orient.

Located in the heart of Penang within walking distance to an amazing heritage of art, architecture, culture, shops, restaurants, cafes, bars and clubs, the E&O Hotel presents the perfect venue for the most important events.

For grandeur, prestige and history, none can match the E&O in Penang. Supported by our professional team of event organisers, state-of-the-art technology, and legendary service, the E&O Hotel promises to create a venue befitting the grandest occasions.
