

HOLIDAY INN RESORT

At our award-winning resort, you can experience unparalleled relaxation on a pristine Penang beach. Spend time on our tropical shores watching the waves roll in. Head to the spa and let our experienced therapists treat you to a traditional Malay massage. Or sink into a lounge chair by the pool and cool off with a refreshing cocktail.

At Holiday Inn Resort Penang, you'll find all the must-see Penang highlights nearby. There are markets where you can browse for souvenirs or sample authentic Penang flavours, as well as historical sites, where beautiful Peranakan architecture keeps the island's colourful heritage alive.

When it's time to rest, you'll find our well-appointed guestrooms have everything needed for a comfortable stay. Keep in touch with those back home using complimentary WiFi and sink into a comfy bed watching blockbuster movies on your flat screen TV before drifting off to sleep.
