

PENANG HOUSE OF MUSIC

A celebration of Penang's glorious musical heritage and cultural diversity with carefully curated exhibitions and interactive features. We showcase, among many things, Penang's popular music from the 1940s-1960s, a feature on communal music, a recreation of a radio booth and cinema, and many others! Also available is a resource center where visitors may discover an ever-growing vinyl collection, newspaper clippings, previously unreleased recordings, audio and video interviews and many, many more.
