

## PINANG PERANAKAN MANSION

This Straits Mandarinate Mansion was home to Kapitan Cina Chung Keng Kwee in the 1800's. He was head of the Hai San Secret Society. The Mansion is now recreated as the home of a wealthy Baba Nyonya family two centuries ago. It is resplendent with antique mother-of-pearl furniture, Dutch lamps, Victorian mirrors and Chinese porcelains. Two separate galleries house the Embroidery and Beadwork collection, and Straits Jewellery collection. An adjoining ancestral temple and a kitchen annexe completes the Mansion. The Mansion is open for private parties and gala dinners.
