AUNTIE GAIK LEAN'S OLD SCHOOL EATERY

Auntie Gaik Lean's Old School Eatery brings people back to the era where food is truly prepared with passion and pride. "Old School" requires vegetables to be hand cut, fresh spices used and the right cooking time and techniques to ensure tastiness which is far different from ubiquitous "fast foods" of today.

Gaik Lean is 3rd generation Nyonya herself, tutored by the best sifu of her time. The restaurant lies within Penang World Heritage enclave and houses charming antique structures. Tourists and locals delight in the spaciousness & ambience of a bygone era.

The signature Curry Tumis, Jiu Hu Char, Assam Hae, Otak-otak and Nasi Ulam delight the taste buds and eyes, as presentation is equally important. The Pengat is a dessert simply not to be missed.

We cater for family, birthday celebration, group and corporate functions, including Dana offerings. Good food, price-friendly and great ambience brings together the genuine nostalgic dining experience.
