

## ESPLANADE

The Penang Esplanade is a public park characterised by its beautiful landscape. Surrounded by elegant British Colonial architecture of the City Hall, State Legislative Assembly and Fort Cornwallis, this historic park has witnessed the fiery speeches delivered by Malaysia's former Prime Ministers Tunku Abdul Rahman and Tun Abdul Razak, former Singapore Prime Minister Lee Kuan Yew and former Singapore President Devan Nair.

Large-scale festivals such as New Year's Eve firework displays, parades, Chingay performances, dragon dances and live concerts have all been hosted at the Penang Esplanade every year, which speaks for its reputation as a popular venue for a wide range of events.
