ANTIGA SDN BHD

Antiga Sdn Bhd is a dynamic and profesional events management corporation built by qualified industry experts possessing over 15 years of experience with a zeal for transforming a mundane event into captivating lasting impressions. We aid our clients through conceptualization to execution to post evaluation. With our experience we not only understand the demands of our clients but we have the capability to anticipate clients' needs, wants and desires. Whether it is MICE group, a company dinner or a corporate party we will make sure that the event benefits the corporate image. With our experience in handling such events, we can ensure that you can focus on having as much enjoyment as possible from the event with having to worry over the minute details. With our expert planners rest assured that your event will be truly amazing.
