M SUMMIT 191 EXECUTIVE SUITES

M Summit 191 is a new icon in Penang made of steel structure. It is located in the heart of George Town along Magazine road. The building is designed with the mixture of modern, contemporary, luxury, classic and tech savvy design. The business suite is equipped with printer, projector, copier, scanner will be provided on request and we have in every suite a white board, projector screen and 50" TV for presentation. The whole building is High Speed Internet Access (HSIA) compliance building and we have built-in the fibreoptic infrastructure to cater up to 5,000 mbps. The most attractive features that our business suites have is the uninterrupted high speed internet access (HSIA) of up to 50 mbps. We are the only Executive Suite or under the hospitality industry in Malaysia to provide professional legal and secretariat services for inhouse guests. M Summit 191 also surrounded by many attractions and nearby to famous tourist attractions such a mural, shopping malls and food paradise due to the strategic location.
