

HOTEL EQUATORIAL PENANG

Hotel Equatorial Penang is a 5-star convention resort within the city. The hotel is well situated within minutes from the Penang International Airport, the Penang Free Industrial Zone, and the heritage city of George Town. Located on a high elevated ground, Hotel Equatorial Penang offers breath-taking views of the lush landscaped garden, greenery golf course, city, and Penang skyline – including two Penang bridges.

The hotel houses 662 well-appointed guestrooms and suites in 2 wings – the Main Wing & the North Wing; where both share a spacious lobby. All accommodations feature private balcony overlooking beautiful views. Club and suite guests enjoy exclusive access to the Equator Club Lounge. As a premier destination for business events, the hotel is a world class venue with exceptional facilities in its 2 column-free ballrooms and 21 function rooms. Indulge in refined culinary, recreational and wellness facilities.

Hotel Equatorial Penang stays true in delivering sophisticated experience with high quality standards and gracious hospitality for business or leisure stay.
