ASIA ITINERARY TRAVEL & TOURS SDN BHD

Welcome to our journey, the journey that is built by dreams turned into reality. It is about sharing the best interest in travel accommodation, food, places of interest, culture, heritage and lots more into a common dream. We strongly believe in this dream by seeing through the eyes of different people and perspective.

Asia Itinerary is a destination management company focusing primarily on corporate professionals that are keen on synergizing work, life and love balance through the concept of travel. Its secondary focus blends travel and tours into a new phase of leisure that connects international to domestic travels ranging from leisure to business.

Served with commitment and dedication, Asia Itinerary believes that every inch of experience gained is a step towards understanding and making our customers happy is the ultimate objective in each of our tour and travel related arrangement contributed through passion.

It is all about your experience...
