

@CAT PENANG

@CAT is a community of startup entrepreneurs, creatives and techies in Penang and beyond. We are a collaborative co-working space and we offer mentorship, incubation, workshops, events, networking and corporate innovation labs.

Located at the heart of George Town, Penang, we aspire to help businesses transcend success toward building a sustainable tech startup ecosystem in Penang. Supported by Penang State Government via Invest Penang and run by the community for the community, @CAT is a place where we thrive on creativity and innovation.
